Summary

The `lab11` branch was created at **13:24:48**, work was committed at **13:25:12**, and the branch was merged into `main` via Fast-forward at **13:25:21** — all on **2026-03-29**. The branch was subsequently deleted after a successful merge, which is correct Git hygiene. The merge commit `72cfb0f` remains permanently in `main`'s history.
